Introduction

This Business Plan sets the activities and outcomes for the work of the Limestone Coast Local Government Association (LCLGA) in 2018-19.

LCLGA is comprised of seven Constituent Councils in the Limestone Coast Region: the City of Mount Gambier, District Council of Grant, Kingston District Council, Naracoorte Lucindale Council, District Council of Robe, Tatiara District Council and Wattle Range Council.

The Mission of the Association is:

To lead Local Government in the Region, and to advance the Limestone Coast communities through effective advocacy, facilitation and innovation.

The five-year direction of the Association is governed by the Strategic Plan 2014-2019. The Plan identifies five themes and Regional Strategies to guide areas of activity.

1. Infrastructure

Regional leadership and advocacy to ensure that regional infrastructure is fit for purpose and has the capacity to meet the region's current and future needs.

2. Sustainable Economy

Regional leadership and advocacy to promote a thriving and sustainable economy capitalising on our diverse resources, sustaining growth, prosperity and employment throughout the region.

3. Environmental Sustainability

Advocacy and partnerships to responsibly manage our natural environment and resources, ensuring sustainability and diversity.

4. Community and Social Wellbeing

Advocacy and partnerships to enhance the quality of life, health and opportunities for our regional communities.

5. LCLGA governance, leadership and financial sustainability

Regional leadership and effective Constituent Council coordination to ensure that LCLGA continues as an efficient and well governed regional organisation.

This Business Plan will identify the actions to be delivered by LCLGA in 2018-19 under each of these Regional Strategies.

Context

LCLGA is constituted under the Local Government Act 1999. It is governed by a Charter, which details the objectives and operation of the Association. The LCLGA Strategic Plan 2014-2019 makes reference to the Constituent Councils' Strategic and Business Plans, ensuring that the strategies and actions are regionally applicable.

The LCLGA Charter identifies a broad range of roles to deliver the objectives of the Association. Given the available resources for LCLGA, it is necessary to closely define the role of LCLGA in delivering the five regional strategies. LCLGA will also work in partnership with other organisations on a number of actions. The various roles are defined below.
