

KEY THEMES, OUTCOMES & ACTIONS

from LCLGA AGM & GM Meetings, Friday 8th February, Kingston District Council

1. Annual General Meeting

Mayor Erika Vickery was elected unopposed as President with Mayor Richard Sage elected unopposed as Vice-President.

The LCLGA appointed representatives to sub-committees and external organisations. Each council will be notified in writing and this information will soon be available on www.lclga.sa.gov.au

2. Guest Speakers

The LCLGA Board received presentations from

- Frank Brennan , Limestone Coast Regional Football Council Chairperson, Matthew Duldig, SANFL Community Football Manager & Jessica Wainwright – SANFL Projects & Government Relations Officer.
- Pippa Pech, Zone Emergency Management Program Officer, SES
- John Chapman, Small Business Commissioner, South Australia

3. Recommendation Reports

- 3.1** The Substance Misuse Limestone Coast Committee requested the LCLGA become the custodian of the program to ensure regional delivery. The board supported the request until 30th June 2019 and subject to funding for the following financial year.
- 3.2** The board agreed to advocate for the universal use of “Limestone Coast” rather than “South East”. Formal correspondence will be sent to government agencies requesting the adoption.
- 3.3** The Independent Commissioner Against Corruption (ICAC) has been invited to conduct a forum in the Limestone Coast for elected members and regional councils. The forum will include presentations from the Ombudsman Mr Wayne Lines & Auditor- General Mr Andrew Richardson. A date and venue are to be finalised.
- 3.4** The LCLAG Board will to conduct a workshop with the Waste & Resource Recovery Infrastructure project consultants to ensure a sound understanding of the report findings. A date and venue is being arranged.

4. Points of Interest

- 4.1** The LCLGA Board will facilitate a joint board meeting with Regional Development Australia Limestone Coast, to discuss common areas of opportunity.
- 4.2** The LCLGA was successful in receiving a \$30k grant from the Natural Disaster Resilience Program (NDRP). This funding will be utilised to develop flood mapping with 6 flood scenarios and erosion assessment of priority settlements on the Limestone Coast. For more information, please contact the LCLGA Climate Adaptation Officer, Prae Wongthong on 87237 310.
- 4.3** The LCLGA Board farewelled and acknowledged outgoing CEO's – Mark McShane & Roger Sweetman.
